Three from B'luru drown in sea at Gokarna

Sea at Joukailla
GOKARNA (UTTARA KANMADA DISTRICT), DINS:
Three persons, who were
among 15 garment workers from Bengaluru on a
trip to Gokarna, Uttara
Kannada, drowned in the
sea on Thursday evening.
The lifeguards managed
to rescue two others from
drowning.
Deceased are: Suma (22),
Thippeswamy Hannya Nayak (21) and C Ravikumar
(40), all garment workers
and residents of Hebbugodis Tirupalya.

and residents of Hebbugo-di's Tirupalya.

Seven members of the group had ventured into the sea. Five of them were caught in high waves. While three drowned, Siddaraju and Shwetha Doddaiah were rescued by the lifeguards.

lifeguards.
The Gokarna police have registered a case.

Follow-up calls to state's Covaxin recipients today

Dist control rooms, vaccination site staff monitoring them

ovaxin beneficiaries in the state who were vaccinated on day 1 of Covid vaccination, as many as 366 of them from six districts, will get calls from district level war rooms on Friday to get a holistic picture of their clinical

well-being. As per an implementation

Council of Medical Research (ICMR - which collaborated with Bharta Biotech to devel-op Covaxin) on January II for Restricted Use of Covaxin Un-der Clinical Trial Mode," ateam will be set up at the district level to telephonically contact and

enquire about the adverse events on day 7 after dose 1 in-cluding symptoms related to Covid-19 and positive RT-PCR

test (if any).

In Davangere, this role is being assumed by the district-level war room that is already functioning.

Dr Meenalschi K S, Reproductive and Child Health Officer (RCHO), Davangere said, "Over the past week, we have already staturday," We will call them again or productive will call them again or productive and consideration of the district have so far seen minor Adverse Event Color will go the control of the court of

Prabhu Gowda Patil, who was vaccinated last Saturday, said, "I have been getting calls everyday for the past one week.

I have had no side effects and have been doing fine."

Vaccine doesn't cause heart attack: Dr Maniunath

Renowned cardiologist and director of Sri Jayadeva Institute of Mand director of Sri Vayadeva Institute of Cardiovascular Sciences and Research (SICR) Dr C N Manjunath, 63, took the first dose of the Covid vaccine on Thursday, So far, 900 staff-ers at the heart nospital have been vaccinated. After two cases of my-ocardial infarction (MI), commonly known as heart attack, in Karnataka, in in-dividuals who took the Cov-id vaccine, Dr Manjunath cleared the air and said Covid vaccine does not cause a heart attack. An MI occurs when blood flow decreases or stops to a part of the heart, causing damage to the heart muscle. The most common symptom

damage to the heart muscle. The most common symptom is chest pain or discomfort which may travel into the shoulder, arm, back, neck or jaw. Two cases of MI were reported in Shivamogga and Ballari, in a doctor and group 'D' worker, respectively. Both of them were vaccinated and died subsequently. "Taking the vaccine is the only way we can end this."

"Taking the vaccine is the only way we can end this pandemic. I took it today. I am fine. Health care workers should volunteer for vaccination without fear and apprehension since it is safe and no

"With more people taking, some more will take, which boostspublic confidence. This some more win tack, which boostspublic confidence. This way we can achieve herd immunity on expected lines. The vaccine does not cause a heart attack. But some coincidental events can happen. Taking the vaccine is a civic responsibility. We will complete vaccinate and the vent of 12.00 Jayadewa staff in the next three days, 900 have already been vaccinated. The response has been excellent? The said. Dr Manjunath is the fourth Covid-19 TAC (Technical Advisory Committee) member to be vaccinated.

Air show to draw high-level British delegation
